Dear Mr. Abi-Younes:

Roadway Widening and Signals at Mission Blvd.: Archibald to Haven Ave.

The Office of the Local Assistance Engineer received your complete obligation package and Request for Authorization to Proceed with Construction of the above referenced project on September 08, 2009. We reviewed and submitted the obligation package to Headquarters on September 08, 2009. This is to inform you that you are now authorized to proceed with the Construction Phase of the project as shown in the attached form E-76.

Prospective bidders should be reminded of the DBE requirements contained in the above-mentioned document and references to Chapter 9 of the Local Assistance Procedures Manual. For new DBE requirements and/or any updates, please contact Area Coordinator for assistance.

Please notify us in writing of the date of bid opening. Two copies of your Plans and Specification (as advertised) shall be forwarded to this office upon advertisement.

Prior to pre-construction meeting, please consult Richard Navarro of our Construction Division, Labor Compliance Office. Mr. Navarro will meet with you and the contractor regarding the contractor's responsibilities for posting of notices, documentation and labor compliance issues that must be discussed prior to execution of the contract. He can be reached at (909) 383-5901.

The County shall follow its normal procedure in awarding the contract to the lowest responsible bidder and assuring us that all Federal Requirements have been met, including an approved Quality Assurance Program.

If you have any questions, please contact Mr. Chris Igbinedion of my staff at (909) 383-6323.

Sincerely,

JOHN PAGANO, P.E.
District Local Assistance Engineer PH
