Dear Mr. Ojeda:

We have reviewed and submitted your obligation package to Headquarters and FHWA for the above referenced project and you are now authorized for CML funds on the Construction Phase of the project.

Prospective bidders should be reminded of the DBE requirements as referenced in Chapter 9 in the Local Procedures Manual. For new DBE requirements and/or any updates, please contact Ms. Debbie Morales at (909) 383-4941.

Please notify us in writing of the date of bid opening along with providing your proof of advertisement. Two copies of your Plans and Specification (as advertised) will need to be forwarded to this office upon advertisement.

Prior to the pre-construction meeting please consult Mr. Richard Navarro, Construction Division, Labor Compliance Office. Mr. Navarro will meet with you and the contractor regarding the contractor's responsibilities for posting of notices, documentation and labor compliance issues that must be discussed prior to execution of the contract. He can be reached at (909) 383-6727.

Your agency shall follow its normal procedure in awarding the contract to the lowest responsible bidder and assuring us that all Federal Requirements have been met, including an approved Quality Assurance Program.

Sincerely,
