Attn: Jerry Dyer, Senior Engineer

Dear Mr. O'Neil:

The Office of the Local Assistance Engineer received your complete obligation package and Request for Authorization to Proceed with Construction of the above referenced project on August 1, 2006. We reviewed and submitted the obligation package to Headquarters on August 18, 2006. This is to inform you that you are now authorized to proceed with the Construction Phase of the project as shown in the attached form E-76.

Prospective bidders should be reminded of the DBE requirements contained in the above-mentioned document and references to Chapter 9 of the Local Assistance Procedures Manual. For new DBE requirements and/or any updates, please contact Ms. Danette Silva at (909) 383-4479.

Please notify us in writing of the date of bid opening. **Two copies of your Plans and Specification** (as advertised) shall be forwarded to this office upon advertisement.

Prior to pre-construction meeting, please consult Mr. Louis Flores, Construction Division, Labor Compliance Office. Mr. Flores will meet with you and the contractor regarding the contractor's responsibilities for posting of notices, documentation and labor compliance issues that must be discussed prior to execution of the contract. He can be reached at (909) 383-4629.

The City shall follow its normal procedure in awarding the contract to the lowest responsible bidder and assuring us that all Federal Requirements have been met, including an approved Quality Assurance Program.

If you have any questions, please contact Mr. Chris Igbinedion of my staff at (909) 383-6262.

Sincerely,

  
Sean Yeung  
Chief, Local Assistance
