Attention: Ms. Sue Kiser

Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of Southern California Association of Governments' (SCAG) Administrative Modification No. 42 to their 2008/09 – 2013/14 Federal Transportation Improvement Program (FTIP). This administrative modification includes projects funded from various programs including the State Highway Operation and Protection Program, Safe Routes to School Program and the Highway Bridge Program.

SCAG submitted these changes consistent with the Federal Statewide Transportation Improvement Program (FSTIP) Amendment and Administrative Modification Procedures. Since administrative modifications do not require Federal Highway Administration or Federal Transit Administration approval, this administrative modification has been included in California's 2009 FSTIP.

Please address any questions on this amendment to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,
