San Bernardino, CA 92415

Dear Mr. Kasey:

We have reviewed and processed your obligation submittal for the above-referenced project through Caltrans Headquarters and the Federal Highway Administration (FHWA). You are hereby authorized to begin the Construction phase of your project. Enclosed is a copy of the authorizing document (FNM-76) for your records.

Please consult your Local Assistance Manual, Chapter 15, for proper Advertising and Award procedures. Prospective bidders should be reminded of the DBE requirements contained in the above-mentioned document, Chapter 9. Please notify this office in writing of the date of the bid opening.

After the bid opening and award, please send us the following items:

- A complete award package as outlined in Chapter 15-7.
- Three sets of Plans, Special Provisions and the latest Engineering Estimate (PS&E) are required if Caltrans Laboratory will be used (A complete form, CEM-3101, "Notice of Materials to be Used: should be included). If Caltrans Laboratory will not be used, two sets of PS&E packages are sufficient.

Prior to the pre-construction meeting please consult Mr. Richard Navarro, District 8 Labor Compliance Officer (909) 383-5901, Fax: (909) 383-6727 Richard.Navarro@dot.ca.gov. Mr. Navarro will meet with you and the contractor regarding the contractor's responsibilities for posting of notices, documentation and labor compliance issues that must be discussed prior to execution of the contract.

The City shall follow its normal procedure in awarding the contract to the lowest responsible bidder and assuring us that all federal requirements have been met, including an approved Quality Assurance Program.

If you have any questions, please contact Nivine Georges at (909) 383-6488.

Sincerely,

for
