

PROJECT SUMMARY / HISTORY

Project ID		EA 08-408308	D-CO-RT 08-SBD-10-CR	Status	Active
HP21L-0499(002)					Program
Agency 5954	Name	San Bernardino County			DEMO
PPNO	County	San Bernardino County	Length	2	
Location -10 / Pepper Avenue interchange					
Post Mile County Code	State Hwy Y	Type of Work Reconstruct interchange			
P M (Begin/End)	/ / /				
Comments	This project was initially authorized for PE funding under HP21L-0499(002), EA 08-924312L, on 9/03/98 that included reconstructing the intersection of Pepper Avenue and Valley Boulevard, which the Board of Supervisors approved as a separate project on 6/10/03. Funding was awarded under TEA-21 DEMO ID #114 for \$6,191,930. No invoices were submitted and all funding was de-obligated under CWA provisions on 7/24/06. There is a draft Cooperative Agreement No. 8-1413 for PA&ED and PS&E, but County correspondence indicates that PA&ED is almost complete because of the Delhi Sands Flower Loving Fly. This modified access project on the Interstate Highway system will be FHWA-administered. Reimburse with Q920 DEMO funds at a maximum reimbursement ratio of 80% up to the available amount of funding.
